THE EDGE JR. HIGH CAMP

(FOR RISING 7TH, 8TH, & 9TH GRADERS)

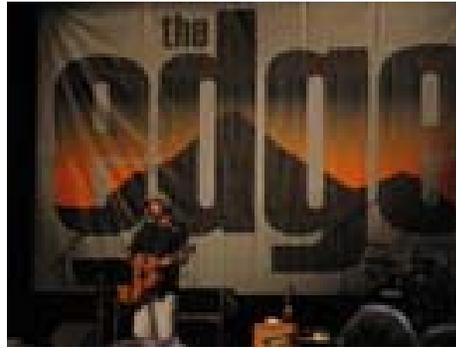

Would you like to be at a place where you can see 3 states at the same time? Would you like a week where you can hang with your friends and the youth group (not to mention 700 other Jr. High students and leaders from around the US)? Would you like to have fun playing cool games, participating in tournaments, and having a huge water war? Would you like to spend a day at one of the largest water parks in the US with some of the fastest waters rides anywhere? Would you like to worship God together with over 700 other Jr.

High students on top of a mountain? Would you like to have the best week of the summer? If you answered yes to any of these questions, then The Edge is for YOU!

ACTIVITIES:

This year we will have an activity day where everyone will go to Whitewater Atlanta, the largest water park in the Southeast. There will also be tournaments held for basketball, volleyball, indoor soccer, tennis, ping-pong, flag football, and ultimate Frisbee. Other highlights will be the annual water war, "The EDGE Has Talent" competition, and the Thrift Store Formal!

YOU WON'T WANT TO MISS IT!!!!

The EDGE is located atop beautiful Lookout Mountain at the campus of Covenant College.
